IMPORTANT PROCEDURE:

Please update your names and your affiliations in the paper.

Note that, it is REQUIRED that all PDF submissions be IEEE Xplore compliant. If your file does not meet Xplore compliance, it will NOT be published and will be removed from the EUVIP 2013 Proceedings CDROM.

To help you meet these new requirements, you must FIRST check to ensure that your PDF file is compliant by using the IEEE PDF eXpress system BEFORE you submit your paper to the conference final submission web site.

1. Go to the IEEE PDF eXpress web site: www.pdf-express.org
2. Use this conference ID: **euVIP2013paris13wkx**
3. Use PDF eXpress to check or create your PDF file
4. Once you have a GOOD PDF file, return to the EUVIP 2013 [final submission web site](#)
5. Please forward the success notification of the IEEE PDF eXpress system to euVIP@univ-paris13.fr with "EUVIP 2013 PDF eXpress" + PaperID on the subject. (For example, if your paper id is 10, the Email's subject must be "EUVIP 2013 PDF eXpress 10")

Please keep in mind that checking your PDF file for compliance and submitting your final paper for publication are 2 separate procedures. After you have finished using the IEEE PDF eXpress system to either check your file for compliance or to generate a compliant file, MAKE SURE to return to the EUVIP 2013 [final submission web site](#) and upload your compliant final submission.
